Irish Celebrations in March and April

ISCSD club members look forward to each March and April as it has both the clubs' annual march in the City of San Diego St. Patrick's Parade. That parade is followed by the Spring Play Day in April. This year, both events were blessed by perfect weather, only adding to the enjoyment and success of each.

Club members expressed great enjoyment dressing up there dogs to march along the parade route...

From the President

Hola, Everyone! Happy Cinco de Mayo!

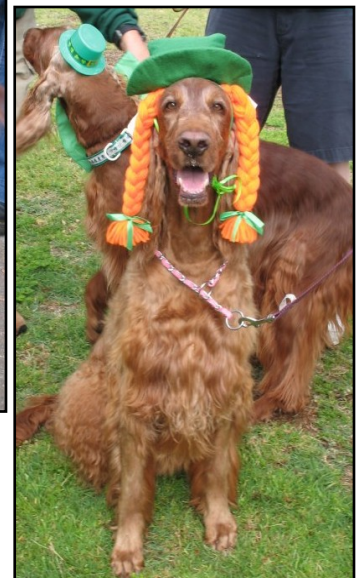

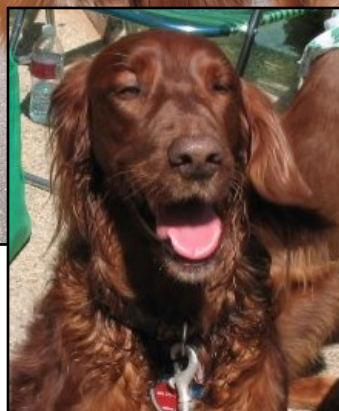

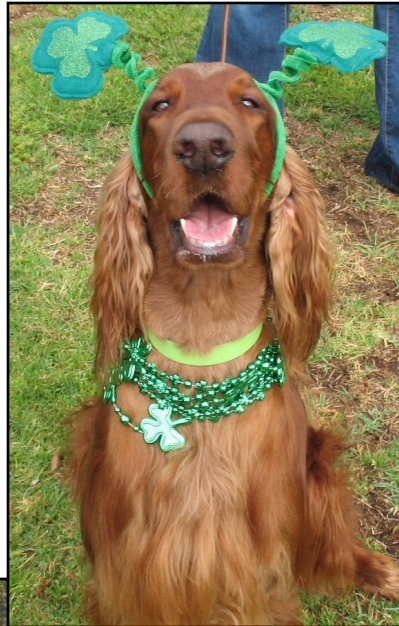

As I write, spring is really bustin' out, even though the temperature continues to be mild. We were really blessed with perfect weather for both the St. Pat's Parade and Play Day.

Our sincere thanks to Lynne Aung for organizing and following through on the parade arrangements; both dogs and handlers had a memorable day. For Play Day, we were treated to a lively demonstration of agility competition, with Cathy Dever, Ian Lee, and Valerie Mahoney showing us the skills and grace of their very talented redheads. Our gratitude to Valerie, who planned the day for us, and provided the "doggie cake" for performers and spectators alike (the humans had great food, too, by the way.)

May, of course, means time for awards! Accordingly, we will be toasting the winners at our annual Awards Banquet. It is set for Saturday, May 11, at Marie Callendars, with gathering time beginning at 6:30 PM, followed by dinner at 7:00. Our meeting and awards presentations will follow. See the enclosed flier for more details.

April Play Day will be at the Canine Sports Center/Greyhound Rescue. Parking must be inside but not in the back where they are doing construction. May need to park closely but we should all fit. Valerie Mahoney will send out the gate code. Fried chicken and drinks will be provided by the club and the members will bring pot luck items. Ian Lee and Valerie Mahoney will provide an agility demonstration.

Reopened discussion on the ISDSD supporting an agility trial. Ian Lee recommended that using Linda Tjarks' business instead of trying to put it all on ourselves will make the difference as to whether we make money. She will use the club name and organize everything from there. She will pay the club a \$1 a dog, a little more if we can provide the volunteers. It was discussed that we would need to do a match or pay a penalty.
