FROM THE PRESIDENT

HELLO MEMBERS

Hope everyone is doing ok in these crazy times.

2021 is not starting out much better with the cancelation of our annual show. Let's hope we can get back at it in 2022. On the bright side we received a wonderful donation from member Claudia Pescott, pay for a years rent of our storage trailer. How about that and thank you!

Since our officers where limited in items to do this year we all re upped for 2021. We do need to fill one position on the Board with the recent move by Alexis Health to Eire, PA. Please contact any Board member if you can help us out.

RAINBOW BRIDGE

Most of you will remember former members Ian and Theresa Lee and their Irish Setter, Phoenix. Ian was in the Coast Guard and they were stationed here for several years. They jumped right in and became very active members and wonderful friends. We were very sad to see them go when they were transferred back to Corpus Cristi. For those of you not on Facebook, Ian posted this tribute to Phoenix when he lost her at 14 years of age.

When I brought her home as a wild and rebellious puppy, I was still a single man. We made five moves together and lived in four different states. She was there for my wedding, the births of my two amazing boys, and countless other life events and celebrations. Home was only home with her in it. It was the place where I saw her sad face each time I left to go to work, and the place I would find her celebrating when I returned. She was stubborn and independent when I wanted her to do things she didn't want to do, but she was also gentle and patient when two rambunctious boys were being rowdy with her.

She was my agility star who earned seven championships despite having to work with an inexperienced and inconsistent handler. We travelled thousands of miles together to agility competitions all over the country where she always did her best, not because she loved the sport, but because she loved to do anything with me.

She was my teammate, she was my best friend, and she was my family. She has left me with many wonderful memories, but she has also left me with an empty place in my heart.
